Acting Chief, Economic Research Area

Candidates for Senior Officer Colleges

1. With respect to your call for candidates for Senior Officer Colleges in your memorandum of 6 August, this will transmit the nominations from the Economic Area. It will be noted that candidates have been nominated only for certain of the Senior Staff Colleges. Given the only oblique applicability to our needs of the training to be derived in several of the schools, the limitations on eligibility for others, and the desire and opportunity of qualified individuals, a useful choice among the schools offered is quite restricted.
